Notice and Consent for HIV-Related Testing Florida

To evaluate your insurability, the insurer named above ("the Insurer") has requested that you provide a sample of your bodily fluid(s) for testing and analysis. This is to determine the presence of human immunodeficiency virus (HIV) antibodies. By signing and dating this form you agree that this test may be done and that underwriting decisions will be based on the test result. A series of tests will be performed by a certified laboratory through a medically accepted procedure.

Pre-Testing Considerations

Many public health organizations have recommended that before taking an HIV-related test, a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested.

Meaning of Positive Test Result

The test is not a test for AIDS. It is a test for antibodies to the HIV virus, the causative agent for AIDS, and shows whether you have been exposed to the virus. A positive test result does not mean that you have AIDS but that you are at significantly increased risk of developing problems with your immune system. The test for HIV antibodies is very sensitive. Errors are rare, but they do occur. Your private physician, a public health clinic, or an AIDS information organization in your city might provide you with further information on the medical implications of a positive test.

Positive HIV antibody test results will adversely affect your application for insurance.

Confidentiality of Test Results

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law; or may be disclosed to employees of the Insurer who have the responsibility to make underwriting decisions on behalf of the Insurer; or may be disclosed to outside legal counsel who needs such information to effectively represent the Insurer in regard to your application. The results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test results may be reported to an insurance medical information exchange under procedures that are designed to assure confidentiality. This might include the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS. Information might also be reported for the preparation of statistical reports that do not disclose the identity of any particular person.

Notification of Test Results

A positive test result will be disclosed to a physician you designate. If you do not designate a physician, a positive test result will be disclosed to the Florida Department of Health. A trained person should deliver that information so that you can understand clearly what the test result means. Please list your private physician so that the Insurer can have him or her tell you the test result and explain its meaning.

Important Notice Regarding Replacement

Exhibit A

Notice To Applicant Regarding Replacement of Life Insurance

A decision to buy a new policy and discontinue or change an existing policy may be a wise choice or a mistake.

Get all the facts. Make sure you fully understand both the proposed policy and your existing policy or policies. New policies may contain clauses which limit or exclude coverage of certain events in the initial period of the contract, such as the suicide and incontestable clauses which may have already been satisfied in your existing policy or policies.

Your best source for facts on the proposed policy is the proposed company and its agent. The best source on your existing policy is the existing company and its agent.

Hear from both before you make your decision. This way you can be sure your decision is in your best interest.

If you indicate that you intend to replace or change an existing policy, Florida regulations require notification of the company that issued the policy.

Florida regulations give you the right to receive a written Comparative Information Form which summarizes your policy values. Indicate whether or not you wish a Comparative Information Form from the proposed company and your existing insurer or insurers by placing your initials in the appropriate box below. (Excludes variable products).

Yes ☐ **No** ☐

Do not take action to terminate your existing policy until your new policy has been issued and you have examined it and found it acceptable.

I have read this notice and received a copy of it.
